## Due Items

Once an item, reserved and eventually picked up by a user, has been borrowed for more than 21 days, it will be listed in this view and warns the Employee of a violation of the mediatheque usage terms.

The screenshot shows a web application interface for 'Mediatheque de La Chapelle-Curreaux'. On the left is a sidebar with a purple header and a list of links: 'Available Items' (highlighted), 'My Reserved Items', 'My Borrowed Items', 'My Dues', and 'Logout'. The main content area has a light gray background. At the top, there is a search bar with a magnifying glass icon and the text 'Search', and a user profile icon with the email 'user0@mail.com'. Below the search bar, the title 'Request this Item' is displayed in bold. To the right of the title is a blue button with a white star icon and the text 'Reserve'. Below the title, there is a form field labeled 'Title\*' with a red asterisk, containing the placeholder text 'Quas sit non alias earum quo modi pariatur et.'.

This view will also appear directly when the user chooses to click on the **Reserve Button** on the initial home page of the application.

Once the reservation is made, the corresponding item will not be available anymore to other users.

## My Reserved Items

After the user has decided to make a reservation of one or more items from the catalogue, the associated items will be shown in this view.

The formerly made reservations can be deleted here. But the user is directed to another page first, to confirm his choice.

## My Borrowed Items

The case that a user will come to the mediatheque and pick up his reserved items, will lead to an update of the list in this view. The user can track his history of borrowed items and when they have been reserved/picked up. No changes can be done in this view. It only serves as an informational view.
